Other costs, including housing, international travel, books, supplies, meals, health insurance, and other incidental expenses arising out of the exchange, will be the responsibility of the exchange student. The host institution will seek to accommodate exchange students in on campus dormitories.

## 8. Government Requirements

Exchange students will meet all requirements of the host country as regards to immigration, including where appropriate, arrangements for their family members and dependents. Exchange students shall ensure that they keep their host institution fully informed of their movements and their contact details during the period of their exchange. ## 9. Commencement and Duration of the Agreement

This Agreement may be modified through the mutual discussion and consent of the two universities, and shall remain in effect from the date of signature for an initial period of five years. In the event that either party terminates the Agreement, the host institution shall honor the terms of the Agreement for students whose exchange has been approved prior to termination, as if the Agreement remained in force for the period of exchange.
